- For in-person registration: Teams need two copies of the signed tournament roster. Tournament staff will mark both copies, keep one, and return the other.
- For online registration: Teams upload one copy of the roster. Tournament staff will return an approved marked roster to a team official.

Teams must have the approved marked copy of the Tournament roster at all games.

I certify that all birth dates are correct and that each player meets all Tournament eligibility requirements, as stated in the Tournament rules. I also certify the team is a newly formed travel team and will be playing in a travel league for the upcoming Fall season.
